SIR:

Prior to examination of the above-identified application, amend the application as follows:

IN THE CLAIMS:

Please amend claims 17, 20 and 33 as follows:

17. (Amended) A method for providing incentive for a user viewing content over a network, comprising the steps of:

B1
Cm +
establishing a first network connection between a user interface device and a service provider server;

providing data in the form of a character icon representation to the user interface device over said first network connection;
